New Officers Elected

During the Fall Ordeal, on the weekend of September 21, the General Lodge elected new officers for all of the elected positions.

On the Lodge level, four new officers were elected. Doug Massey was elected as our new Lodge Chief; Michael "Dewey" Williams was unopposed in his bid for Vice-Chief of Administration; Taylor Haddon won the position of Vice-Chief of Inductions; and Zachary Brailer was victorious in his quest to be our Vice-Chief of Program.

new Chief, and Yamasee elected Alan Harding. The positions of the Upper River Chapter Chief and the Ogeechee Chapter Chief were not filled because no members from the respective Chapters attended the General Lodge Meeting. If any members are interested in filling in the role for your Chapter, please contact Doug about filling the position.

Another position was filled this summer was filled when Mr. Anand Suthar was appointed, by the Supreme Chief of the Fire, to fill the

position of Lodge Staff Advisor.

Each Chapter also elected its own Chapter Chief. Chickasaw elected Nick Burwinkel as its Chief. Kiokee elected Scott Jacobson as their

The Whistling Arrow staff would like to wish the best of luck to our newly elected officers, and looks forward to working with them.

By-Laws Amended

During the Fall Ordeal, on the weekend of September 21, the General Lodge voted in over a 2/3 majority to change the election cycle for our Lodge.

In order for the amendment to pass, it had to be approved by a simple majority of the Lodge Executive

Committee (LEC) 30 days prior to the General Lodge Meeting (GLM) to which it will submitted. Then, the amendment was mailed to the whole Lodge to ten days prior to the meeting. After all of this, the amendment must be approved by a 2/3 majority at the GLM.

This amendment is one that several people in the Lodge have suggested for 4 years now. It has shifted the election cycle from September to March, however, new officers do not take office until after the conclusion of Dixie. This gives the new

officers more than one month to prepare for their terms.

This amendment was designed to allow more time for the Lodge officers to prepare and organize for their duties, and to avoid the officers from having to serve in office while making the transfer to college.

The next Lodge elections will be during the Spring Ordeal on March 15, 2009. The officers elected at the Ordeal will take office at the conclusion of the 2009 Dixie Fellowship and they will serve until

Message from Program

Hello,

My name is Zach Brailer and I am the new Vice Chief of Program for the Bob White Lodge. Now that you know who I am, I'll talk about some of the things I'd like to see done with the lodge. Firstly, I see too many boys that show up to events and try to help, but they can't. Most of the time it's because they don't know how to get involved; Lord knows that was the truth with me. Because of this, my first priority is to pull in some of those youth who have been over looked or simply don't know with whom to speak to start contributing to the Lodge. By doing this, not only will there be more people involved who were not previously active, but we may find people who are actually better at the jobs

The second thing I'm going to work very hard on is getting a new Dance and Drum team together. On many occasions I've had to listen to members from other lodges bring up the fact that we don't even have a Dance and Drum team. This ends with my term, I say! I would like to hearken back to the days of Tommy Luhning. Tommy was a youth from our Lodge that was a nationally recognized dancer. While our Lodge has not been able to compete effectively, or at all in some cases, at this competition. I feel that this is a shame and that our Lodge should embrace this great tradition of our old Order.

Now you have an idea of what I'd like to see done with the lodge, but I can only do so much. If you're reading this and would like to get involved seek me out at the next event and we'll help you find an area that you enjoy.

-Zach Brailer

Chiefly Speaking

Brothers,

I am looking forward to serving you as you new Lodge Chief for the next six months. My first responsibility as the newly elected Lodge Chief is to appoint chairman to fill the positions on our Lodge Executive Committee (LEC), and I am already underway in doing so. I have found a good group of guys to serve as my chairman, and I look forward to working with you for the duration of my term.

The next Lodge event that is coming up is the Lodge Leadership Development Event on October 25. This event has traditionally been reserved for those on the LEC, but I would like to invite all Arrowmen to come join us for a weekend of training. I want to insure that everyone in our Lodge has as much training as possible to make sure events can run as smoothly as possible. For new members, this event is a great opportunity to meet the new chairmen and get onto a committee. That is the first step to moving up in Lodge leadership.

I would also like to take this opportunity to enumerate my goals for the Lodge during my term as Lodge Chief:

1. I want the Bob White Lodge to be a Quality Lodge and a Section Honor Lodge
2. I want to revamp our Standard Operating Procedures so that they are more relevant to the current Bob White Lodge
3. I want the Lodge to have fun

All of these tasks are things that can be easily achieved if our resources are allocated efficiently. The first goal will be an easy one to obtain with all the hard work that was put forth by last year's LEC. The second goal is one that may no be as easy, but it is one that is essential to our Lodge being the best that it can be. The third goal is one that I believe is essential to the survival of the Lodge. What is the point of being in the Order of the Arrow if it isn't fun?

My first step toward accomplishment of my third goal is to convert our Flaming Arrow in February to a Lodge Fellowship. This means that this will be a weekend of nothing but fun and friendship building. I look forward to seeing everyone at the upcoming events and would greatly encourage everyone to come up and support the Lodge as move into our 73rd year of cheerful service.

Yours in Service,

Doug Massey

New Editor for Newsletter

I'm Patrick Garcia, the outgoing Lodge Chief and incoming Newsletter Editor. There are going to be some changes this year in the newsletter. First, we will have standardized acronyms for the positions and events as shown in the table to the left. Second, I will try to include fun little activities and games such as crosswords. I have also created the e-mails posted throughout this newsletter to be standard e-mails through the years. This is both for ease and safety reasons. Starting in the next newsletter, there will be a letter to the editor section in every newsletter so that the voice of the people can be heard. Lastly we will also focus on world events as they pertain to Scouts from now on. I welcome all input to any and all sections, but it is subject to editing for length and content.

Let Us Try to Find...The Lodge History

The Bob White Lodge has recently established a Lodge Library which contains our Planbooks, our Where to Go Camping Guides, our newsletters, and our memorabilia. The idea is to create an archive of the history of our Lodge. With a Lodge like ours, which was established in 1936, we have a long, storied tradition. The problem is part of that story has been lost to history. The Lodge is calling on its Arrowmen, past and present to work with together to find the lost history. Contact the Vice-Chief of Administration, Dewey Williams, at vcadmin87@gmail.com; Lodge Chief, Doug Massey, at lodgechief87@gmail.com; or Lodge Adviser, John Garcia, at 706-650-7727 to help in this project.

The Lodge has current issues of our publications; however, we are sorely in need of older publications and memorabilia. We propose to borrow Lodge member's old publications and copy them so that the Lodge has a copy of the old information. After copying, we will return the originals to the Arrowmen who lent them to us. The Lodge has the 2001, 2003-2008 Planbooks, the 2002, 2004, 2006-2008 Where to Go Camping Guides, the Fall 1999, Winter 2000, NOAC 2000, Winter 2001, Nov. 2001, Jan. 2002, April 2002, Dixie 2002, June 2002, Fall 2002, Winter 2003, Spring 2003, Summer 2003, Fall 2003, Winter 2004, Fall 2004, Winter 2006, Fall 2006, Dixie 2007, Fall 2007, Winter 2007, Spring 2008, and Dixie 2008 Newsletters. If you have an edition other than these, the Lodge would love to make a copy or accept old issues as donations.

As for memorabilia, the Lodge has adopted a policy that one of each issue of the flaps or patches will be donated to the Lodge Library. Once again, we have all of the current issues, but if you have extras or some you want to donate to the Lodge, please contact Vice Chief of Administration, Dewey Williams, at vcadmin87@gmail.com; Lodge Chief, Doug Massey, at lodgechief87@gmail.com, or Lodge Adviser, John Garcia, at 706-650-7727.

If you have a favorite memory or recollection of the Lodge, please feel free to send it and we will create an anecdotal history of the Lodge also.

Fossett Plane Found

Wreckage from Fossett's plane showing his tail number

On September 3, 2007, Steve Fossett left a friend's ranch in a single engine airplane never to be seen again.

The most extensive search and rescue operation ever mounted was immediately put into motion to find the lost Scouter. The operation included traditional searches on foot and in the air using the Civil Air Patrol, and it included less conventional methods offered by the Google Corporation. These methods used Google Earth and frequently updated satellite imaging to attempt to find the downed pilot. All of this was to no avail.

Searches were called off on October 2, 2007, and Fossett was declared legally dead on February 15, 2008. No more was heard of him for until August 2008 when a modest search was attempted using new clues.

On September 29, 2008 a hiker

found crumpled identification cards (ID's) near Mammoth Lakes, California. The ID's belonged to Fossett.

A renewed search was mounted and on October 1, the wreckage of his plane was found by aerial searchers. Over the next two days, searchers reached the crash site on foot and were able to clearly look at the debris.

The wreckage and the area surrounding showed evidence of a high speed impact. Bone fragments, many of which are believed to be human, including one that is 2 inches by 1.5 inches, were found among the debris.

Forensics analysts have not yet revealed to whom the bones belong, but check back in December to hear what they have to say, what Fossett accomplished in life, and what Fossett's role in Scouting was.

Lodge Adviser's Corner

To paraphrase the old song, "What a Difference a Year Made." The Bob White Lodge is on the move again and is poised to be a National Quality Lodge again this year. At the time of the Fall Ordeal in 2007, we were understaffed; we were behind in the Brotherhood conversion rate, less than 20%; and we had an overall membership loss of 70-80 members.

However, the Bob White Lodge did not accept this situation and it rolled up its collective sleeves and got to work. First, we held two extra Brotherhood Inductions in 2007 so that we reached the National goal of 30% conversion rate. For 2008, we have an astronomical conversion rate of just under 60%. We have sent the appropriate "spirit of the arrow books" and Brotherhood invitation letters. Matt Morton, Mike Massey, and Mike Morton did a wonderful job in these efforts.

Second, by the end of 2008, we closed the membership "gap" by 30-40 members. This year, we have passed last year's membership numbers so that we had positive membership growth at the time of the 2008 Fall Ordeal with three months left in this year. In part, we did this by inducting 72 new Ordeal members. Alex Clegg, Alan Harding, and Jody Kangheter worked hard to provide an election to every unit who requested it, and Scott Jacobson, Alex Lee and Suellen Cermenaro made sure that we could handle their inductions.

Third, we have worked hard to improve communications. We re-built our Lodge Website, www.bobwhitelodge.org, from the ground up and we try to keep our most current information posted. We have instituted an automated email reminder. Our Newsletter has been published in a manner to allow the Lodge members to know of the upcoming events. Will Kenney, Blake Reynolds, Zach Dromsky, Dale McClung, Patrick Garcia, David Kenney, Laura Clegg, and Pam McClung deserve bunches of credit for the improvement.

Fourth, we have continued to provide a great program and great service. We held our annual One Day of Service, six Knox Scout Reservation Development service days, a Flaming Arrow Weekend, a Summer Fellowship and Beaver Day. Service to the camp was also provided at the two Ordeals. Program and fellowship were not lacking. At all the camping events, we set up multiple video games at night so that "Guitar Hero" and "Halo" ruled the night. The Lodge helped complete the lower C.O.P.E course, the telephone borders for the beach, spread the sand, cut down dead trees, worked on the shotgun trap house, painted bridges, cleared trails, put on a ramp for a Fred Shed, repaired the OA teepee trailer, and other service. The most fun was the fantastic spirit shown at Dixie by the "Bobfather" Family. We placed third in the quest for the Golden Arrow and won the Knowledge and Training competition for the first time in at least ten years. Great kudos to Eric Fisher, Bob Rule, Todd Garcia, and Taylor Haddon.

Fifth, administratively, we have made a number of improvements in the Lodge. In addition to the communications, we have passed a total of 20 By-law changes to update the Bylaws to conform with National Order of the Arrow Policy and to improve the Lodge. We have created the first Lodge Library for our annual Planbooks, Where to Go Camping Books, our Whistling Arrow Newsletters, and our Lodge Flaps. We have implemented the National Order of the Arrow's Lodge Master "online" membership and event tracking system. We are further along the implementation trail than any other Lodge in our Section. We used Jim Waldron's data base as a starting point, and then added everyone mentioned in a Planbook, Whistling Arrow for which we have a copy, and every Order of the Arrow name mentioned in the Augusta Chronicle since March of 1936. We have 1,494 Arrowmen listed on our database since 1936. As we find old information, we will continue to update this database. We have completely inventoried our Lodge Store to find we had \$18,000.00 in inventory, which had accumulated over the years. To reduce this inventory, we have cut some prices and created a catalogue so that Arrowmen may order "goodies." Thanks a bunch to Zach Brailer, Doug Massey III, Dewey Williams, Andrew Byrd, Nathan Fisher, Doug Massey Jr., and Jim Waldron for all their efforts.

On a side note, in performing our inventory, we found that we had a limited supply of 2003 Indian Summer Delegate flap and AC/Dixie flap. We are taking these rare patches with the equally rare gold Bobfather delegate flap and drawing for names at Lodge events to fairly distribute them. We gave three away at the General Lodge Meeting at the Fall Ordeal. As always, you must be present to win a prize.

Sixth, we have started working on obtaining new regalia with four sets of new leggings and new moccasins. All the guys who attended Beaver Day took a moccasin and made at least one moccasin. We hope to reach the point where we have a very nice Ceremonial set of regalia and another set which may be used for everyday events. We are still working on a Dance Team and hope to have more news on that soon. A special thanks to Kim Massey for her efforts.

Seventh, we have supported the Council. We provided \$1,000.00 in Friends of Scouting donations, \$1,000 toward the Council Endowment fund, approximately 2,400 hours of service to Knox Scout Reservation, and we helped staff the Spook-a-ree for our Cub Scouts.

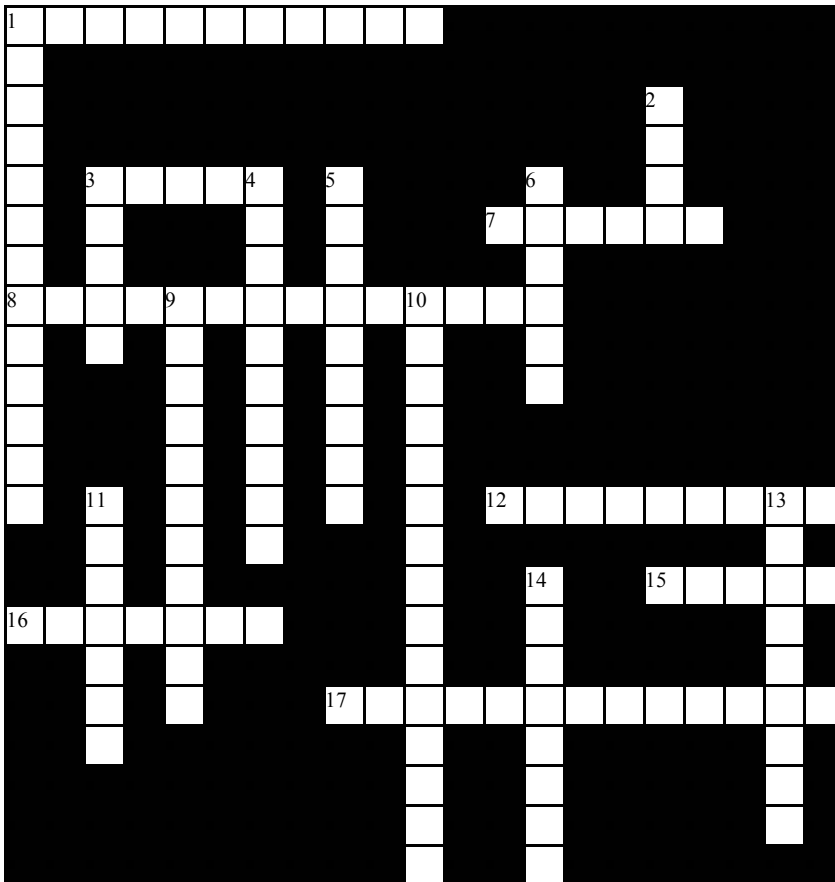

Like all organizations, we may have 284 different opinions on the best way to do something, but we talk it out, put it to vote and get the job done. Thus, we have pulled together to get the Lodge running in the right direction again. We belong to the greatest part of the greatest organization on the Earth. The Spring Ordeal members had trees falling around them, but still could not wait to become Brotherhood members. The Fall Ordeal members were wanting to join ceremonies and the dance team when they were going through the Ordeal. This sort of spirit is just plain infectious. I've caught the spirit. How about you? Congratulations to the Lodge leadership from 2007-2008 for a job well done. Congratulations to the new leadership on your election. This is a hard act to follow, but I know you are up to the task.

One Day of Service

The annual One of Day of Service is coming up and the editorial staff of *The Whistling Arrow* encourages all youth and adults to come to Bob Lowrie's House at 9 AM on November 15 to help. This year we will once again be refurbishing bikes for Augusta Urban Ministries to donate to less fortunate youth in Augusta just in time for Christmas. The day will begin at 9 AM and will most likely run until 5 PM. Arrowmen should bring materials for bike repair such as wrenches, ratchets, and WD-40. Also, if any Arrowmen wish to donate a bike, new or used, to the cause it would be greatly appreciated. This event is not limited to Arrowmen. If you have any family or friends who are skilled at bike repair or own tools that would be useful please bring. We welcome the help and fellowship. Lunch will served at a cost of \$5. It will most likely be pizza. You are welcome to bring your own food if you prefer. Mr. Lowrie's address: 265 Watervale Rd. Martinez, GA

Another Successful Ordeal

Former Registrar Chairman, Zach Brailer, and his adviser, Jim Waldron, eagerly await the flood of participants

On September 19, 2008, 150 Arrowmen descended upon the Knox Scout Reservation to join together in cheerful service.

The weekend started off with a spirited introduction from Scott Jacobson, Ordeal Chairman, as he introduced our brothers-to-be to the Lodge. Scott led the 27 Ordeal Candidates to the Pre-Ordeal Ceremony and stood with them as they watched the theatrics directed by Alex Clegg.

As the night went on, the Vigil nomination committee gathered and selected 6 members of our Lodge to be nominated for Vigil.

The next day, Ordeal Candidates, Brotherhood Candidates, and members of the General Lodge all rolled up their sleeves and provided service to the camp. The day ended with the induction of 27 new Ordeal members and 10 new Brotherhood members.

The night was consumed with fellowship as Arrowmen gathered to eat pie and ice cream as they played *Super Smash Bros. Melee*. Festivities went on well into the night and finally stopped around 2 AM.

The following morning the Lodge gathered for worship and then held a General Lodge Meeting. At this meeting we approved an amendment to the by-laws and elected new officers for the next year. As the day grew longer, it came time for us to close our meeting of the General Lodge and time for one set of leaders to pass the torch to a new set of leaders.

New Vigil Nominees

The Vigil Selection Committee met during the Fall Ordeal and selected its nominees for the Vigil Honor.

The Vigil Honor is the highest honor that the Order of the Arrow can bestow upon its members for service to lodge, council, and Scouting. Membership cannot be won by a person's conscious endeavors. The Vigil Honor is a high mark of distinction and recognition reserved for those Arrowmen who, by reason of exceptional service, personal effort, and unselfish interest, have made distinguished contributions beyond the immediate responsibilities of their position of office to one or more of the following: the Lodge, the Order of the Arrow, the Scouting Community, or Scout Camp.

Any member of the Order of the Arrow registered in Scouting and in good standing in a regularly chartered lodge is eligible for recommendation to the National Order of the Arrow Committee for elevation to the Vigil Honor provided that, at the time of the recommendation, the individual has been a Brotherhood member for a **minimum of two years**. A lodge may nominate a maximum of two percent of their registered Arrowmen once a year, through the Vigil Honor petition, found in the annual re-charter packet. At least 50 percent of all nominated must be under 21 at the time of nomination.

After a great deal of deliberations that went on into the wee hours of the morning, the Vigil Selection Committee selected the following people for this high honor:

- Zach Brailer
- Taylor Haddon
- David Lindner
- Doug Massey, Jr.
- Mike Morton
- Bob Rule

Please check back in the next issue of *The Whistling Arrow* for a more detailed look at these Scouts and Scouters, including their Vigil names, and the various roles that they have filled in their tenures in Scouting.

Rare Flap Lottery

At every Lodge Event, the Lodge will be raffling rare flaps. The only cost to enter for the competition is that you pay to attend the event. The only requirement is that you must be a present youth to win. At the General Lodge Meeting on September 21, 2008, three lucky Arrowmen received one of the rare "AC/Dixie," "Bobfather Gold," and "Indian Summer" delegate flaps by random selection. The next drawing is the Lodge Banquet on October 25, 2008. In the exhaustive inventory of our Lodge Store, we discovered that we had certain Lodge Flaps which were believed to have been sold out. The LEC decided that the best way to fairly distribute these flaps would be to have a random drawing for those Arrowmen who are supporting the Lodge by their participation.

Getting Ready for Dixie

It's time to start thinking about Dixie themes again! Dixie is coming up in April and will be here sooner than you know it. The Dixie committee is still getting its bearings, so now is a great time to jump on. Talk to Zach Brailer for more information, and check back in December and check on the web for more info about the theme, and how we can win.
